I understand root canal therapy is a procedure to retain a tooth which may otherwise require extraction. Although root canal therapy has a very high success rate, it is still a biological procedure. Therefore, the procedure cannot be guaranteed. Occasionally, a tooth which has had root canal therapy may require retreatment, surgery, or extraction.

Although rare, the following complications may occur in endodontic therapy; pain and swelling, damage

	uation is to be performed at this office. The			
outside restoration (such as a crown or filling) will be d	one by my general dentist.

- -We are required by applicable federal and state law to maintain the privacy of your personal health information (PHI). We are also required to give you this notice about our privacy practices, our legal duties, and your rights concerning your PHI. We reserve the right to change our privacy practices and the terms of this notice at any time, provided such changes are permitted by applicable law.
- -We use and disclose PHI about you for treatment, payment, and healthcare operations. For example, we may use or disclose your PHI to a healthcare provider providing treatment to you or to obtain payment for services we provide to you.
- **-Your authorization:** In addition to our use of your PHI for reasons stated above, you may give us written authorization to use your PHI or disclose it to anyone for any purpose. Unless you give us a written authorization we cannot use or disclose your PHI for any reason except those described in this notice. If you give us an authorization, you may revoke it in writing at any time.
- **-To your family and friends:** We must disclose your PHI to you as described in this notice. We may disclose your PHI to a family member, friend or other person to the extent necessary to help with your healthcare or with payment for your healthcare, only if you agree that we may do so.
- -Persons involved in care: We may use or disclose PHI to notify or assist in the notification of (including identifying or locating) a family member, your personal representative, or another person responsible for your care, of your location, your general condition, or death. If you are present, prior to use or discloser of your PHI, we will provide you with an opportunity to object to such uses or disclosures. In the event of your incapacity or emergency circumstances we will disclose PHI based on a determination using our professional judgement, disclosing only PHI that is directly relevant to the person's involvement in your healthcare.
- **-Marketing Health related services:** We will not use your PHI for marketing communications or fundraising purposes without your written authorization.
- -Amendment: You have the right to request that we amend your health information. Your request may be in writing, and it must explain why the information should be amended. We may deny your request under certain circumstances. If we agree to your request, we will amend your record(s) and notify you of such. If we deny your request, we will provide you with an explanation of why we denied it.
- -Required by law: We may use or disclose your PHI when we are required to do so by law.
- -We will notify all patients in the event of a breach of unsecure PHI.
- -If a patient pays in full for a service out of pocket, they have the right to request we do not disclose treatment information for this service to a health plan. You, the patient, have the right to an electronic copy of your treatment records.

We can now send secure and non-secure emails to patients of their PHI if: 1. The patient requests, 2. If the email address is verified, and 3. The patient is informed of the possible security risks of emailing sensitive information.

We have updated our privacy policies effective 1/01/2020.	PLEASE SIGN & DATE BELOW.
